Accessible Skipton - How will you be promoted as part of the scheme?

Welcome to Skipton

A dedicated Accessible Skipton page will be added to the Welcome to Skipton website so anyone looking for access information will have quick and easy access to all businesses with an Accessibility Statement.

Each business that is featured on the Accessible Skipton page will also receive a window sticker promoting the scheme.

Visit North Yorkshire

All businesses will be entitled to a free listing on the Visit North Yorkshire website, and will be promoted as part of the Accessible North Yorkshire scheme which Accessible Skipton is part of.

AccessAble/Euan's Guide

If you choose to create a guide using Accessible or Euan's Guide, they will then promote your business on their websites which are actively used by people with disabilities when planning where to visit.
